

# Assessment of Reading, Writing and Mathematics, Junior Division (Grades 4–6)

Individual Student Report, 2022

## SAMPLE NAME

Ontario Education Number: 000-000-000  
School: Sample School  
School Board: Sample Board

## STUDENT RESULTS

EQAO's junior-division assessment tests the reading, writing and mathematics skills students are expected to have gained by the end of Grade 6.

	<b>NE 1</b> Not enough evidence to be assigned a Level 1	<b>Level 1</b> Much below the provincial standard	<b>Level 2</b> Approaches the provincial standard	<b>Level 3</b> Meets the provincial standard	<b>Level 4</b> Surpasses the provincial standard
<b>Reading:</b>					
<b>Writing:</b>					
<b>Mathematics:</b>					

Each level represents a range of achievement. The position of the ■ shows where, within the range, the student's result is located (from low to high).

These results are an objective indicator of the student's reading, writing and mathematics achievement in relation to the provincial standard. The provincial standard is Level 3, which corresponds to a B- to B+. The four achievement levels are the same levels teachers use in the classroom and on report cards to evaluate students' progress.

### Students completed four language sessions and four mathematics stages. The students were asked to do the following:

#### Language—Reading

Read two types of texts (narrative and informational) and answer questions related to the expectations in the reading strand of the language curriculum. Question types\* included checklist, drag and drop, drop-down menu, single- and multiple-selection and open-response.

#### Language—Writing

Answer questions related to the expectations in the writing strand of the language curriculum. Question types\* included drag and drop, drop-down menu, single-selection and open-response.

#### Mathematics

Answer questions related to the expectations in the strands of the mathematics curriculum. Question types\* included ordering, drag and drop, drop-down menu, and single- and multiple-selection.

\*Note: The alternative version of the assessment did not include all the types of questions.

For a detailed description of the design of the assessment and how it aligns with the expectations in *The Ontario Curriculum*, please see the *Assessment of Reading, Writing and Mathematics, Junior Division, Framework*, available on the EQAO website at [www.eqao.com](http://www.eqao.com).

EQAO conducts province-wide assessments at the primary, junior and secondary levels to measure student achievement against curriculum expectations. The data are widely used as an additional tool to guide improvements in education at the individual, school and provincial levels. For additional information and useful resources, visit [www.eqao.com](http://www.eqao.com).
